1. PACT Overview

1. PACT Overview:

What is PACT

- NYCHA needs \$78 billion to fully renovate and modernize its housing, but the federal government has provided only a fraction of the funding needed.
- Through PACT, developments are included in the Rental Assistance Demonstration (RAD) and convert to a more stable, federally funded program called Project-Based Section 8.
- PACT unlocks funding to complete comprehensive repairs, while keeping homes permanently affordable and ensuring residents have the same basic rights as they possess in the public housing program.

PACT Investments & Improvements

Renovated apartment at Twin Parks West

Site improvements at Baychester

Repaired roof and solar panel system at Ocean Bay (Bayside)

Renovated building entrance at Ocean Bay (Bayside)

1. PACT Overview

How PACT Works

PACT depends on partnerships with private and non-profit development partners, who are selected based on resident input.

COMPREHENSIVE REPAIRS

Development partners bring design and construction expertise. They address all the physical needs at the development.

PROFESSIONAL MANAGEMENT

Property management partners are responsible for the day-to-day operation and upkeep of the buildings and grounds.

ENHANCED SERVICES

Partnerships with social service providers help improve on-site services and programming through input from residents.

PUBLIC CONTROL: NYCHA & RESIDENTS

Your development will remain under public control. After conversion, NYCHA will continue to own the land and buildings, administer the Section 8 subsidy and waitlist, and monitor conditions at the development. Where needed, NYCHA can step in to resolve any issues that may arise between residents and the new property management team.

** PACT uses the Rental Assistance Demonstration (RAD), which was designed to ensure that as developments transition to the Section 8 program, homes remain permanently affordable and residents have the same basic rights as they possess in the public housing program.*

1. PACT Overview

- Lease agreements **automatically renew every year**, and cannot be terminated except for good cause.
- All households who are over- or under-housed are required to **move into an appropriately sized apartment** when one becomes available.
- All **moving and packing expenses are covered** by the PACT partner.
- Residents can **add relatives** to their Section 8 households, and they will have **succession rights**.
- Residents have the right to initiate **grievance hearings**.

2. MEETING 4 RECAP:

Lease Signing Overview Process

- ❖ What is a lease?
 - A lease is a binding contract between a landlord and resident for a specified period.
 - Lease agreements outline the responsibilities of both the landlord and resident.
 - Lease agreements outline resident rights.
- ❖ Every household must sign a new lease. This is a critical part of the Harlem PACT conversion
- ❖ Residents will receive a copy of the sample PACT lease prior to lease signings.
- ❖ Residents will have an opportunity to contact the Lease Signing Team or Legal Aid Society with any questions or concerns about their lease.
- ❖ Lease signings will be held at your respective building & each household will have a dedicated appointment.
- ❖ Appointment notices along with the list of required documents will be mailed prior to your lease signing (Government-Issued Photo ID required for tenant of record and co-lessee).
- ❖ If you require a special accommodation to sign your lease, such as a home visit, please contact the Lease Signing Team upon receiving your appointment.
